NARRATIVES

PRIMARY NARRATIVE

In summary:

While on patrol, I was dispatched to the 2100 block of Gunderson Avenue in reference to a fight in progress. While in route to said location, Berwyn Dispatch advised that approximately 8 male black subjects had beaten up a male white subject. Upon arrival, WC Ochsner #406 located the victim who was identified as Corydon M. Storer

near the Vacin Fairway and Gunderson Avenue. Corydon was bleeding from the face, specifically his eye and mouth. BFD was dispatched to the scene.

Corydon stated that while he was walking home, he observed approximately 5-10 male black subjects also walking. Corydon stated that he made a comment regarding one of the subjects' t-shirt stating he liked it because it was a basketball shirt. Corydon stated that the subjects then called him a "faggot" and asking about his sexuality. They continued to ridicule him for liking another male's shirt. Corydon stated that, a short time later, the males then began physically striking him with punches. Corydon stated he then fell to the ground at which time the subjects began kicking him. Corydon stated he was able to get up and separate himself from the subjects at which time the subjects fled northbound on Gunderson Avenue. Corydon stated he would sign complaints against the offenders if located. Corydon also stated that he would be able to identify the offenders if he saw them again.

BFD arrived on scene and began evaluating Corydon.

I then spoke with a resident at 2126 Gunderson Avenue 1FL who was identified as Josie Veronica Dabrowski

. Josie stated that she did not see how the altercation began. Josie stated that she was on her computer when she observed 5-10 male black subjects punching and kicking a male white subject. Josie stated that she could not identify the subjects; however, she stated that she knew the subjects to reside somewhere on the block and had seen them in the area on prior occasions. Josie stated that she observed the male subjects running northbound on Gunderson Avenue and she observed them run into a residence on the north side of Gunderson approximately 3-4 houses off of the corner.

Assigned Berwyn Units had already arrived on scene. A neighbor who wished to remain anonymous then spoke to me through her window. She stated that she observed the males run to the back of 2109 Gunderson Avenue. Assigned units attempted to make contact with residents at 2109 Gunderson Avenue and met with a resident in the basement apartment. All other apartments in the building did not yield any responses. The basement tenant stated that she had access to the garage as did the other tenants. The basement tenant then opened the garage door at which time K-9 Officer Fitzpatrick #257 located 5 male black subjects inside of a vehicle in the garage. All of the subjects were ordered out of the vehicle at which time they were detained pending further investigation.

At 1941 hours, Corydon positively identified the 5 subjects as the offenders who battered him via a show up. The subjects were identified as Darion C. Kelly, Malik T. Jackson, Dontrell Person, Christopher A. Foss, and Antonio D. Morris. Corydon was then transported to MacNeal Hospital via BFD #905. ET Ortiz #223 relocated to MacNeal Hospital and took a total of 19 digital photographs of Corydon's injuries.

Detective Schauer #294 subsequently transported the subjects back to Berwyn Central utilizing squad #119. Once back at Berwyn Central, Darion, Malik, Dontrell, Christopher, and Antonio were positively identified via fingerprint inquiry. All subjects were placed on hold pending further investigation.

Information TOT Juvenile Unit and Detective Bureau.

SUPPLEMENTAL NARRATIVE TYPE: Incident

Assigned Officer: W/C Ochsner # 406

In Summary:

While on scene at 21st and Gunderson, two male Hispanic subjects on bicycles approached and were video taping the arres of the 5 offenders via their cell phone. Some of the males were uncooperative and yelling to attract attention. The males were attempting to instigate the police on scene by calling them derogatory names and using profanity. They then started yelling for on lookers to video tape them and the two male Hispanics obliged them.

I then spoke to the male subjects video taping to inquire if they were witnesses to the initial incident. I had seen them earlier at the scene, but they refused to give their names or make any statments at that time. The victim had eeralier pointed out these subjects and asked them to come forward and tell the police what happend. They refused at that time. Now, both subjects indicated that they had information about the incident and that they felt the black males in custody were not offenders.

The subjects identified themselves as follows: Andre Contreras of
and Joel Casarez The subjects then related the following not
verbatim:

They observed the white victim and numerous black males involved in a verbal altercation. They heard the white male calling the group "Berwyn Thugs" and felt that he was instigating a fight with the other 10 males. The black males told the white male to go away, but he did not listen. The 10 male blacks then began kicking and punching him about the head and body. The males said they intervened and separated the 10 black males from the white male. The 10 males then ran from the scene in different directions.

Both subjects denied video taping the initial incident as it occurred.

 Incident: Criminal Damage to Property
 Date: 23 June 2013
 Report # 13-06088

This is a supplement report, which is written in summary, and should be read in conjunction with all other reports associated with Berwyn Report # 13-06088 for a complete and accurate account of this entire incident.

Upon viewing the video surveillance from the 7-11, A/D observed the subject in question, previously described as a M/W subject wearing a green and white flannel shirt and khaki pants enter the store. A/D observed the subject enter the store and proceed with a transaction from all three camera angles. Through past experiences and dealing, A/D was able to positively identify the suspect in the store wearing the flannel shirt as Dustin Huebner a documented member of the Harrison Gents Street Gang, known to occupy the area of 13th St. and East Ave. in Berwyn. Further A/D observed the subject to have a large tattoo of a cross on his left forearm, said Tattoo was previously documented via photograph in IClear under a May 10 2012 arrest (CB# 18404634). Utilizing IClear Digital Mugshot system, A/D prepared a photo array with the suspect, Dustin Huebner along with five (5) additional person(s) of similar appearance and presented it to the victim Mr. Joseph Loggins as follows:

- 1 CB# 18339075
- 2 B# 18487121
- 3 Huebner, Dustin CB# 18404634
- 4 CB# 18448460
- 5 8476424
- 6 18519425

At approximately 15:00 hours, A/D contacted the victim, Joseph Kemp Loggins. A/D advised Mr. Loggins of a possible suspect in this incident and requested that he meet with A/D at the Berwyn PD to view a photo array.

At 1408 hours of 23 June 2013, A/D explained and read the lineup/photo spread waiver form to Joseph Loggins. Joseph signed the lineup/photo spread waiver form, stating that he understood. A/D then showed the above photo array to Joseph. A/D observed Joseph view the photo array and positively identified the person in photograph #3 (Dustin Huebner) as the male subject that stated "Get out of Berwyn Nigger" and damaged his vehicle by throwing a brick. Joseph circled photograph #3, initial the photograph and dated it. Joseph related that he wished to pursue

criminal charges against the offender in regards to this incident.

Upon speaking further with Joseph, Joseph related the following depiction of the events that occurred in summary, not verbatim nor its entirety. Joseph was travelling W/B Roosevelt Rd. and turned left on to S/B East Ave. As Joseph completed the turn, he observed a M/W wearing a Green and white flannel shirt and a backwards baseball cap exit the 7-11 located at Roosevelt Rd. and East Ave (South west corner of intersection). Said subject stated "Nigger, stay the fuck out of Berwyn" making a hand gesture which Joseph believed to be gang related. Joseph continued to travel S/B East Ave. until he reached 13th St. at which time he pulled a U-turn and began travelling back N/B on East Ave. in an attempt to confront the subject regarding the racial slur that he had directed towards Joseph. At this time Joseph observed the male subject, now on the East side of the street, grab a brick from a front yard and throw it at Joseph's vehicle, ultimately damaging said vehicle. Said subject then fled S/B East Ave. crossing the street and fleeing W/B into a yard, possibly 1244 S. East Ave. A/D printed out a photograph of the property located at 1244 S. East Ave. and presented it to Mr. Loggins. Mr. Loggins signed said photograph and identified the property in the photograph as the property where he observed the offender flee into the gangway. Joseph further related that he approached said residence and from the front of the residence called back to the rear and asked the alleged offender to come out and talk with him. Joseph was then approached by who he believes to have been the owner of said property described as a tall M/H with several tattoos. Said subject inquired as to what Joseph was doing and advised him that he was scaring his son, who was the person in the rear of the residence. A/D knows the owner of said property at 1244 S. East Ave. to be Gumaro Evans an active member of the Harrison Gents Street Gang. A/D produced a printed photograph of subject Gumaro Evans from IClear. A/D showed said photograph to Joseph who positively identified Gumaro Evans as the subject he spoke with on the day of the initial incident. Gumaro went on to advise Joseph that he had been shot five times at the intersection of 13th St. and East Ave. approximately 1 year ago.

Joseph provided A/D with an estimate for repair of the damage to the vehicle, which was prepared by Consolidated Auto Service Center INC (1045 S. Des Plaines Ave. Forest Park, IL 60130). Said estimate for a 2007 BMW 328XI IL registration # R762169 showing a total Amount USC of 1,372.80 before Sales Tax.

Investigation to continue.
